

MEMORANDUM FOR: General Graham

Danny--

Approved For Release 2004/12/01 : CIA-RDP80M00165A002900010014-8

Taking you up on your offer, I am sending you the attached material on various CIA analysts. Most of these have been involved in the NIS Program and could be usefully employed in similar or related work by DIA.

I appreciate your initiative in this regard and hope that some of these good analysts will find employment in DIA.
